## Undergraduate Program

# BY THE NUMBERS

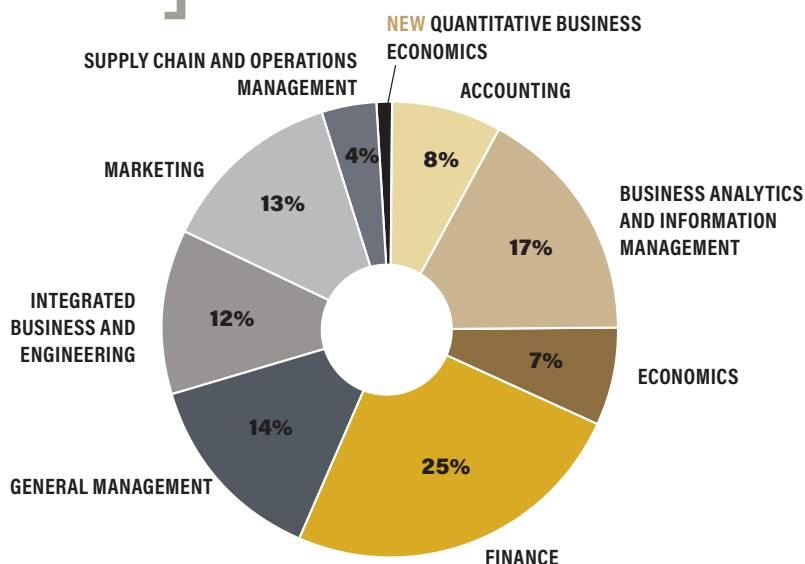

2023  
2024

In the Mitch Daniels School of Business undergraduate program, students find a close-knit community that offers the benefits and resources of a large STEM institution. Through rigorous academic programs, experiential learning, and enriching leadership development opportunities, students are primed to become global leaders upon graduation. This data is collected by the business school's career services office from 2023-2024 academic year graduates.
