

MASTER OF BUSINESS ADMINISTRATION

Focusing on the educational needs of high-potential, talented managers and managers-to-be, Purdue's Executive MBA program continues to be the solution for working professionals. Students in the EMBA program can complete their degree while remaining employed full-time. Harness the power of enhanced learning and networking with other professionals from across the U.S. and world at the Daniels School of Business.

“

Joining the Executive MBA program was a great decision, not only for the networking opportunities with outstanding classmates across industries, but also for the professors, who are best-in-industry. The material covered will enhance my leadership ability globally.

TARA NELSON, EMBA '23
